All Qi-Enabled Devices

3-Coil Design

Wide Charging Area

Multi-angled Wireless Charging

Wireless Charging At It's Best

Portable Design

auraDock is an incredible ultra-portable wireless charging stand that simplifies cable-free charging. With its specially designed 3-Coil structure, you could position your phone on a more efficient and wider charging area. Experience unlimited viewing hours while your device is being charged simply by docking it with the auraDock. Additional Smart LED indicator shows while the device is being charged. With a more efficient wireless charging, auraDock keeps your mobile charged on-the-go.
