

Multifunctional Laptop Backpack with In-built Tablet Pocket and Headphone Shell Case

Simply put, the Elipto has everything. As a backpack, it is unmatched. It is made from a durable polyester material, its straps are meshed-lined for extra comfort and the back itself has extra padding for ease of use. But there is more: amongst its many zip-lock pockets are three that are fur lined. One large pocket is designed to fit all 15.6" laptops, one slightly smaller pocket is designed to safely and securely stow your tablet device and a yet smaller one is the perfect storage space for a mobile device like a phone or an iPod. Moreover, inside the front pouch as a hard shell case designed to fit big bulky headphone sets, allowing you to store them with ease. Basically, if you need something storing: the Elipto has a place for it.
