proSwitch.H3 is a compact gadget designed to offer 3 HDMI ports in a single device. With proSwitch.H3 you can enjoy a plug-and-play functionality and full HD resolution support. Having a shielded case and three HDMI input ports, with proSwitch.H3, you can connect up to three HDMI devices (such as DVD Player, Satellite Receiver, Set-Top Box, DV Camera and other HDMI enabled devices) to a single port of an HD display. This clever gadget simply re-clocks the HDMI signal of multiple sources. Switch manually or use the provided remote control to distantly choose between the three lines at your own comfort. Minimize the bulk around the TV, conveniently connect all your devices to proSwitch.H3 and assure yourself a hassle-free signal without interference.
